

§ 21.220

material, when relevant to the course or training.

(c) *Furnishing items which may be personally used.* Musical instruments, cameras, or other items which could be used personally by the veteran may only be furnished if required by the facility to meet requirements for degree or course completion.

(Authority: 38 U.S.C. 3104(a)(7))

§ 21.220 Replacement of supplies.

(a) *Lost, stolen, misplaced or damaged supplies.* VA will replace articles which are necessary to further pursuit of the veteran's program and which are lost, stolen, misplaced, or damaged beyond repair through no fault of the veteran;

(1) VA will make an advancement from the Vocational Rehabilitation Revolving Fund to a veteran to replace articles for which VA will not pay, if the veteran is without funds to pay for them;

(2) If a veteran refuses to replace an article indispensable to the program after VA determines that its loss or damage was his or her fault, the veteran's refusal may be considered as noncooperation under § 21.364;

(3) If the veteran's program is discontinued under provisions of § 21.364(b), he or she will be reentered into the program only when he or she replaces the necessary articles.

(Authority: 38 U.S.C. 3104(a))

(b) *Personally purchased supplies.* VA will not generally reimburse a veteran who personally buys supplies. VA may pay for the required supplies which a training facility or other vendor sells to a veteran, if the facility chooses to return to the veteran the amounts he or she paid, so that the charges stand as an unpaid obligation of VA to the facility. If the facility does not agree to such an arrangement, VA may still pay the veteran, if the facts and equities of the case are demonstrated.

(Authority: 38 U.S.C. 3115)

(c) *Supplies used in more than one part of the program.* Except as provided in paragraph (a) of this section, VA will generally furnish any nonconsumable supplies only one time, even though the same supplies may be required for

38 CFR Ch. I (7-1-13 Edition)

use by the veteran in another subject or in another quarter, semester, or school year.

(Authority: 38 U.S.C. 3104(a)(7))

§ 21.222 Release of, and repayment for, training and rehabilitation supplies.

The value of supplies authorized by VA will be repaid under the provisions of this section, when the veteran fails to complete the program as planned.

(a) *Consumable supplies.* VA will require reimbursement from a veteran for consumable supplies authorized, unless:

(1) The veteran fails to complete the rehabilitation program through no fault of his or her own;

(2) The employment objective of the rehabilitation plan is changed as a result of reevaluation by VA staff;

(3) The total value of the supplies for which repayment is required is less than \$100; or

(4) The veteran dies.

(Authority: 38 U.S.C. 3104)

(b) *Nonconsumable supplies (general).*

(1) In addition to the exceptions noted in paragraph (c) of this section, VA will not require reimbursement from a veteran for nonconsumable supplies authorized, if:

(i) The veteran and VA change the long-range goal of the rehabilitation plan and those supplies are not required for the veteran's pursuit of training for the new goal;

(ii) The veteran's failure to complete the program was not his or her fault;

(iii) The veteran was pursuing the program at a facility which recovers nonconsumable supplies from veterans through contractual arrangements with VA, and the veteran returned to the facility all the nonconsumable supplies furnished at VA expense;

(iv) The veteran reenters the Armed Forces or is in the process of reentering the Armed Forces;

(v) The veteran satisfactorily completed one-half or more of a noncollege degree course (or at least two terms in the case of a college course) for which VA furnished the supplies;
